IMPORTANT INFORMATION/INFORMACIÓN IMPORTANTE

- GB
 - Always wear safety goggles and work gloves when installing or disassembling this product, especially when working with glass panels.
 - When handling, never rest the corner of the glass directly on the floor or hit the corner with any object. This can cause the glass to break.
 - Always have two persons to install or disassemble the shower.
 - Small children should never use the shower unsupervised or without proper instructions for safety use.
 - Small children should never hit, lean, or hang on the shower product. Nor should they do any inappropriate activity in the vicinity of the shower.
 - Tempered safety glass is designed to shatter into small tiny pieces when the glass is broken, this is to avoid serious injury.
- ES
 - Llevar gafas y guantes de seguridad durante la instalación o desmontaje de este producto, especialmente durante la manipulación de los cristales
 - Durante la manipulación, nunca dejar descansar las esquinas de los cristales directamente en el suelo o golpearlos con cualquier objeto. Puede provocar la rotura del cristal
 - Es conveniente que la instalación o el desmontaje sea llevado a cabo por dos personas.
 - Los niños no deben usar la ducha sin supervisión o sin apropiadas instrucciones de uso para sus seguridad
 - Los niños no deben, bajo ningún concepto, golpear, apoyarse o colgarse de los productos de ducha. De la misma manera, deberán realizar actividades inapropiadas en las inmediaciones de la mampara.
 - El cristal templado de seguridad ha sido diseñado para romper en pequeñas piezas con el objetivo de evitar daños mayores

#	Description/Descripción
